

GOODDEEDS Enterprise

"Nature always wears the colors of the spirit".

Let Me Explain

“Nature **always** wears the
colors of the spirit”.

About Us

GOODDEEDS ENTERPRISE is a black youth owned company with a strong background in Horticultural ,services Supply, and SHEQ Implementation.

The firm is Owned and managed by youth of professional Horticulturist and SHEQ Practitioners which have more than 9+ years of experience in the industry and is an affirmable business enterprise.

It was established in 2016 out of the need to create employment to better the economy. We have a meaningful and active black economic and affirmative action strategy. Our BEE rating is level 1.

Vision

We aspire to become the leading Supply, Horticultural services and SHEQ Consultant, Company proving itself with high quality work.

Our vision is to become the best and most respected and innovative Facilities Management company in South Africa including its neighbouring countries.

Mission Overview

We uncompromisingly strive to;

To make a positive contribution within which we operate.

To be reliable and consistent partners, ensuring service delivery and enabling our suppliers and partners to develop long term and trusted relationship.

Integrity in all business dealings.

To maintain a proven record of service delivery, quality and reliability.

To complete all our projects to the highest safety and environmental standards.

To provide innovative, total solutions with preferred industry status

Our Values

We are committed to excellent services to all our clients/customers both in the private and public sectors in general. Our relationships, business process and conduct based on;

- Quality delivery and promptness
- Transparency and openness
- Courtesy and commitment
- Mutual Trust and respect
- Customer Satisfaction
- Integrity and honesty
- Equity and fairness

OUR SERVICES

HEALTH AND SAFETY SUPPLY

The health and safety products we supply are at cutting edge and very efficient for the most extreme working environments in line with the OHSA act, as we have proven from our track record. We provide our clients with a complete health and safety solution which is determined by the nature of the working environment.

We offer:

- PPE Supply
- SHE System Implementation
- Stationary

FACILITIES MANAGEMENT: HORTICULTURAL & LANDSCAPING SERVICES

The experience within the practice encompasses a wide-ranging skill set which enables us to produce innovative and practical solutions for private gardens, landscapes(hard landscape and irrigation installation and maintenance) and commercial projects. Managing vegetation under servitudes and commercially grown timber species plantations is the best model for achieving sustainable development and environmental integrity. The use of ecologically acceptable and cost-effective vegetation management techniques, together with optimum timing of these operations, is critical,

We offer:

- Landscaping design and installation
- Grass cutting and Tree Felling
- Garden maintenance
- Servitudes cleaning and clearance for pipeline maintenance
- Bush clearing, tree felling, grass control & removal of invasive species
- Herbicide application with PCO
- Cleaning services
- Pest and weed control
- Environmental rehabilitation

BUSINESS MANAGEMENT

- ☐ Gooddeeds Enterprise Intends to make use of the latest Facilities management services and training technology on the market to improve productivity at a lower cost base.
- ☐ Attend seminars and workshops to keep with the latest market trends in the industry.
- ☐ To be able to influence the clients' thoughts and decisions on a certain product or service, that will be beneficial to the client as well as to the service provider in the long term.

OPPORTUNITIES

- ☐ Gooddeeds Enterprise identify a problem as a challenge or an opportunity for improvement, where new methods are created.
- ☐ The standard of service rendered to our South African customers need continuous improvement which created an ideal opportunity for Gooddeeds Enterprise to provide client needs with a quality service at a market related price.
